

AI Summary - Namanjot_Singh_Resume_Improved

Generated on 29/7/2026

1. Executive Abstract Summary

Extracted content abstract for Namanjot_Singh_Resume_Improved.pdf. RAG chunking and vector indexing successfully stored in local ChromaDB memory store.

2. Methodology & Architecture

Processed via PyPDF text extractor and SentenceTransformers MiniLM embedding engine.

3. Dataset & Benchmark Corpus

Indexed file chunks v1.0.

4. Experimental Performance & Results

100% Vector embeddings indexed in HNSW database graph.

5. Principal Findings & Conclusion

Ready for interactive semantic search and RAG Q&A chat.

6. Limitations & Constraints

Context limited to uploaded text contents.

7. Open Opportunities & Future Scope

Continuous citation linking.
